Summary

Postdoctoral Researcher in NLP at HiTZ Center IXA Group EHU. Working on Improving Language Models for Low-resource Languages.

Education

PhD	University of the Basque Country (EHU) , Language Analysis and Processing - Working on Improving Language Models for Low-resource Languages - Research at HiTZ Basque Center for Language Technology	Donostia, Basque Country 2023 – 2026
Master	University of the Basque Country (EHU) , Language Analysis and Processing Thesis on Grounding Language Models for Compositional and Spatial Reasoning	Donostia, Basque Country 2021 – 2022
Degree	University of the Basque Country (EHU) , Computer Engineering - Speciality in Software Engineering - Final project on ProMeta system	Donostia, Basque Country 2017 – 2021

Experience

HiTZ Center IXA Group (EHU) , Postdoctoral Researcher Research on Improving Language Models for Low-resource Languages - Large Language Models for Basque - Multilingual evaluation and benchmarks - Natural Language Processing	Donostia, Basque Country 2026 – present 1 year
HiTZ Center IXA Group (EHU) , PhD Student Research on Improving Language Models for Low-resource Languages - Large Language Models for Basque - Multilingual evaluation and benchmarks - Natural Language Processing	Donostia, Basque Country 2023 – 2026 3 years

Awards

Best Resource Paper Award Award for the paper "Latxa - An Open Language Model and Evaluation Suite for Basque" at ACL 2024	Association for Computational Linguistics Aug 2024
Certificate in Advanced English C1 level English certification	Cambridge Assessment English Feb 2017
Euskararen Gaitasun Agiria Basque language proficiency certificate	Eusko Jaurlaritza June 2016

Skills

Research: Natural Language Processing, Large Language Models, Deep Learning, Machine Learning, Multilinguality
Programming: Python, R, Java, JavaScript, PHP, C
Web Development: Hugo, Jekyll, Bootstrap, Tailwind CSS, HTML, CSS

Languages _____

Basque

Native

Spanish

Native

English

Fluent (C1)

Interests _____

Natural Language Processing

Large Language Models, Multilingual NLP, Low-resource Languages

Machine Learning

Deep Learning, Neural Networks, Transformers

Certificates _____

Curso de Machine Learning Aplicado con Python	Platzi Oct 2020
Curso de Redes Neuronales en Keras y Scikit-Learn	Platzi Oct 2020
Curso Práctico de Regresión Lineal con Python	Platzi Oct 2020
Curso de Desarrollo de Apps Móviles	Universidad Complutense de Madrid Jan 2020
